

THE WENSLEYDALE SCHOOL

YEAR SEVEN

HOMework

KEY WORDS

BOOKLET

Autumn 1, 2026

WEEK 1

ENGLISH, SCIENCE, ART

English

antagonist	The character who stands in the way of the hero or protagonist
imperative verb	a verb used as a command, e.g. Listen, sit, take.
noun	the name of a thing, such as an object, a place, or a person.
prefix	letters or a group of letters placed at the start of a word to create a new word.
pronoun	A word that replaces or refers to a noun in order to avoid repetition in speaking.
protagonist	The main character in a story.
Standard English	The form of English taught in schools and widely used in formal writing and speech.
symbolism	The use of symbols or images to represent ideas, emotions, or deeper meanings.
verb	Words that show an action (sing), occurrence (develop), or state of being (exist).
word classes	Words grouped by function, such as nouns, verbs, adjectives and prepositions.

Science

Beaker	A piece of glass equipment used for holding and measuring liquids and solids
Boiling tube	A piece of glass equipment used for heating solids and liquids
Test tube	A piece of glass equipment used for storing or mixing solids and liquids
Conical flask	A piece of glass equipment used for holding and mixing liquids
Measuring cylinder	A piece of equipment used for measuring volumes of liquids
Gauze	A piece of equipment used for supporting a beaker or flask or dish on a tripod
Tripod	A piece of equipment used for holding a beaker or dish over a Bunsen burner
Evaporating Basin	A piece of ceramic equipment used for removing water from a solution
Bunsen Burner	A piece of equipment used for heating things
Filter Funnel	A piece of equipment used to hold paper to allow us to remove solids from liquids

Art

Colour Wheel	A wheel showing the relationship between primary, secondary and tertiary colours.
Complementary Colours	Colours opposite each other on the colour wheel that create contrast when paired.
Landscape Artwork	A genre of artwork that focuses on depicting natural scenery, such as mountains.
Mark making	The different lines, patterns and textures that can be used to create an artwork.
Drawing	A fundamental visual art form that creates an image on a surface using marks

WEEK 1

BRITISH VALUES, COMPUTER SCIENCE, DESIGN & TECHNOLOGY, FRENCH

British Values

Equality Ensuring that everyone has the same opportunities and is treated fairly.

Democracy Having a voice and voting.

Responsibilities Duties people have to support the Rule of Law and respect others.

Equality Giving everyone fair opportunities while showing Mutual Respect and Tolerance.

Inclusion Making sure everyone feels welcomed, valued, and able to participate.

Computer Science

Go for schools The system that tells us your grades and results

Google classrooms The system that teachers use to put classwork on the computer for you

Username The name that the school has allocated you for logging in to the computer

Password A secret word that is made up of letters, numbers and special characters

Compose The word for creating an email in Google mail

Design & Technology

Design & Technology Explores designing and making products that solve problems.

Design Decide upon the look and functioning of (a building, garment, or other object)

Technology Machinery and equipment developed from the application of manufacturing.

Graphics The products of the graphic arts, especially commercial design or illustration.

Sketching Make a quick drawing of something.

French

mercredi Wednesday

jeudi Thursday

vendredi Friday

WEEK 1

GEOGRAPHY, HISTORY, LIFE & SOCIETY, MUSIC

Geography

Physical geography Study of natural things

Human geography Study of man made things

Atlas A book of maps

Equator Line of latitude of that runs around the world at 0 degrees

Latitude Horizontal line around the world

History

Bias Gives a one sided view

History Discovery of the past

Investigate To find out more through research

Chronology Putting events in time order

Anachronism Something just isn't right!

Life & Society

Cyber bullying Bullying that takes place online

Physical bullying Bullying that includes kicking, pushing and spitting

Mental bullying Using words or actions to harm someone's emotions, self-worth, or social status

Resilient The ability to try again even when things are tough

Conscientious Putting great care, effort, and thoroughness into your work or duties

Music

stave Five lines on sheet music that show musical note pitch based on a clef.

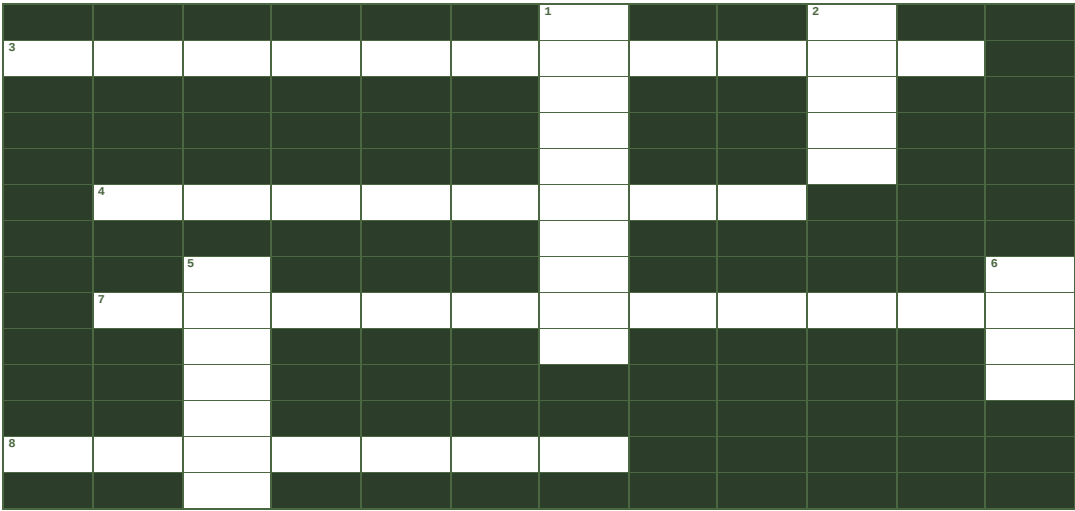

melody A sequence of musical notes arranged to form a pleasing musical line or pattern.

melodic phrase A group of notes that make sense together and express a definite melodic "idea".

structure The way a piece of music is organised; its beginning, middle and end

rhythm Music's pattern in time; its beat

WEEK 1 - CROSSWORD

ACROSS

3. Words grouped by function, such as nouns, verbs, adjectives and prepositions.
4. The name that the school has allocated you for logging in to the computer
7. A piece of glass equipment used for heating solids and liquids
8. Discovery of the past

DOWN

1. The different lines, patterns and textures that can be used to create an artwork.
2. Thursday
5. The word for creating an email in Google mail
6. Words that show an action (sing), occurrence (develop), or state of being (exist).

Practise 15 minutes every day. You will be tested every week.

WEEK 2

ENGLISH, SCIENCE, ART

English

metaphor	A figure of speech that makes a direct comparison between two unlike things.
simile	Comparing two unlike things using 'like' or 'as' to create a vivid description.
word classes	Words grouped by function, such as nouns, verbs, adjectives and prepositions.
adjective	A word that describes a noun, telling us more about its quality or type.
adverb	A word that modifies a verb by showing how, when, where or why action happens.
adverbial	A word or phrase that describes when, where, how or why an action happens.
colloquial language	the use of informal words, phrases or even slang in a piece of writing.
context	The social, historical and political setting in which a text is written and read.
setting	The time, place, and circumstances in which a story or event takes place.
first person narrative	A story told from the narrator's viewpoint using I, me, my, we & our

Science

Corrosive	These substances attack and destroy living tissues, including eyes and skin.
Serious Health Hazard	These substances are specific organ toxins. May affect fertility.
Filter Funnel	A piece of equipment used to hold paper to allows us to remove solids from liquids
Round Bottomed flask	A piece of glassware that can be used for Heating liquids
Hazard	A potential source of harm
Toxic	These substances can cause death by acute toxicity
Dangerous to the Environment	These substances can damage plants and animals if they get into habitats.
Oxidising	These substances allow other materials to burn more fiercely
Risk	The possibility of a hazard causing harm
Flammable	These substances catch fire easily.

Art

Primary Colours	Colours: red, yellow and blue, which mix to create all other colours.
Complementary Colours	Colours opposite each other on the colour wheel that create contrast when paired.
Painting	Artwork created by applying paint to a surface using tools, such as a paintbrush.
Tertiary Colours	Colours made by mixing equal amounts of a primary and its adjacent secondary colour
Collage	The combination of cut-up paper, magazines & other found images to create artwork.

WEEK 2

BRITISH VALUES, COMPUTER SCIENCE, DESIGN & TECHNOLOGY, FRENCH

British Values

Participation	Taking part in activities, discussions, or decision-making processes.
Rule of Law	Following rules and laws.
Democracy	A British Value where people can have a say in decisions by discussing issues and voting.
Tolerance	Accepting and respecting people who have different beliefs, backgrounds, or lifestyles.
Cooperation	Working together to achieve a common goal.

Computer Science

True	True or False. We may use the school email for some outside activities
File	A resource for recording data on a computers storage device
Folder	A storage place, or container, where many files can be placed into groups
file name	The complete title of a file and file extension e.g. "readme.txt"
Excel	A software program using spreadsheets

Design & Technology

Tech-Soft 2D Design	The first bit of CAD/CAM software you will use in D&T.
Manufacture	Something made from raw materials by hand or by machinery.
Sketching	Make a quick drawing of something.
CAD (Computer Aided Design)	The use of computer-based software to aid in design processes.
CAM (Computer Aided Manufacture)	Software and computer-controlled machinery to automate a manufacturing process.

French

une semaine	a week
aujourd'hui	today
vendredi	Friday
samedi	Saturday
dimanche	Sunday

WEEK 2

GEOGRAPHY, HISTORY, LIFE & SOCIETY, MUSIC

Geography

Longitude	Vertical line around the world that passes through the poles
Tropic of Capricorn	Line of latitude that is 23.5 degrees south of the equator
Tropic of Cancer	Line of latitude that is 23.5 degrees north of the equator
Prime Meridian	Line of longitude that is 0 degrees that runs through Greenwich London
Arctic circle	Line of Latitude that is 60N of the equator

History

Edward the Confessor	King of England 1042-1066
Heir	Next Monarch in line
Anachronism	Something just isn't right!
Bias	Gives a one sided view
William of Normandy	Leader of Normandy

Life & Society

Organised	Making sure you have everything prepared.
Mindfulness	The quality or state of being conscious or aware of something.
Conscientious	Putting great care, effort, and thoroughness into your work or duties
Friendship	A positive connection with another person
Respect	A positive way of treating someone, recognising their value

Music

melodic phrase	A series of musical notes played or sung in a connected sequence to form a tune.
timbre	The unique sound quality that makes one musical note distinguishable from another.
rhythm	A repeating pattern of sound or movement with alternating strong and weak beats.
pitch	The height of a musical sound based on how fast or slow a sound wave vibrates
dexterity	Hand strength and agility to create varied sounds when playing musical instruments.

WEEK 2 - WORD SEARCH

R	I	M	D	M	T	C	E	P	S	E	R	J	R
W	W	L	O	N	G	I	T	U	D	E	K	J	K

A	E	U	L	U	M	D	Y	M	X	M	I	J	P
P	C	I	A	K	O	D	N	V	Q	G	E	G	E
L	F	G	N	I	H	C	T	E	K	S	A	D	O
C	Y	N	V	Y	I	I	K	J	V	D	A	R	J

Find the words that match these definitions:

1. Friday
2. These substances catch fire easily.
3. Vertical line around the world that passes through the poles
4. True or False. We may use the school email for some outside activities
5. The complete title of a file and file extension e.g. "readme.txt"
6. Following rules and laws.
7. Comparing two unlike things using 'like' or 'as' to create a vivid description.
8. Gives a one sided view
9. A positive way of treating someone, recognising their value
10. Artwork created by applying paint to a surface using tools, such as a paintbrush.
11. Make a quick drawing of something.
12. A British Value where people can have a say in decisions by discussing issues and voting.
13. The unique sound quality that makes one musical note distinguishable from another.
14. The combination of cut-up paper, magazines & other found images to create artwork.

WEEK 3

ENGLISH, SCIENCE, ART

English

register (spoken language)	Language style linked to formality level or specific professional groups.
structure	The way parts of a text are arranged, showing how sections link to create meaning.
subplot	A secondary story that relates to and enriches the main plot of a literary work.
metaphor	A figure of speech that makes a direct comparison between two unlike things.
simile	A figure of speech that compares two unlike things using "like" or "as".
characterisation	The creation or construction of a fictional character.
conjunction	A word that joins clauses or words, such as 'and', 'but', 'or'.
connective	A word like 'and', 'but', or 'that' links parts of text or sentences together.
consonant	All the letters in the alphabet except the vowels (a, e, i, o, u).
embedded quotation	a quote blended seamlessly into your own writing, marked by quotation marks.

Science

Dependent variable	The factor that is measured
Control Variable	The factors that are kept the same
Cell	Smallest building block of life
Corrosive	These substances attack and destroy living tissues, including eyes and skin.
Serious Health Hazard	These substances are specific organ toxins. May affect fertility.
Safety flame	A yellow flame that makes a Bunsen burner safe when not in use
Roaring flame	A blue flame from a Bunsen burner that is used to heat things.
Accuracy	Closeness to a true value
Precision	Closeness of results to each other
Repeatability	Getting the same results from the same experiment when done again

Art

Secondary Colours	Colours created by mixing two primary colours together in equal amounts.
Highlight	Small areas on a painting or drawing on which reflected light is the brightest.
Hue	The distinctive quality or name of a color such as red, blue, green or yellow.
Colour	When light is reflected off an object, colour is what the eye sees.
Complementary Colours	Colours opposite each other on the colour wheel that create contrast when paired.

WEEK 3

BRITISH VALUES, COMPUTER SCIENCE, DESIGN & TECHNOLOGY, FRENCH

British Values

Justice	Fair treatment according to the law.
Individual Liberty	The right of each person to make their own choices and express themselves freely.
Citizenship	Being a member of a country and understanding your rights and responsibilities.
Beliefs	Personal views that should be respected through Mutual Respect and Tolerance.
Cooperation	Working together respectfully as part of Mutual Respect and Tolerance.

Computer Science

Portrait	vertical, upright orientation of a computers output
Landscape	this orientation shows content at a wider angle
formula	an equation that performs calculations on values
variable	A piece of memory that can store information that can be changed
program	A sequence of instructions in a computer language for a computer to carry out

Design & Technology

Aesthetics	Factors such as balance, colour, movement, pattern, scale, shape and visual weight.
Function	It does what it's expected to do and does it well.
mm's (Millimeter)	It is a small unit of measurement compared to the centimeter.
Tech-Soft 2D Design	The first bit of CAD/CAM software you will use in D&T.
Manufacture	Something made from raw materials by hand or by machinery.

French

mars	March
avril	April
mai	May
une semaine	a week
aujourd'hui	today

WEEK 3

GEOGRAPHY, HISTORY, LIFE & SOCIETY, MUSIC

Geography

Antarctic circle	Line of latitude that is 60 S of the equator
Ordnance Survey	National mapping agency for Great Britain.
Compass	Way of showing directions, North, East South and West
Scale	A way of measuring distance on a map
Key	A map key is an inset on a map that explains the symbols

History

Chronology	Putting events in time order
Harold Godwinson	Successor to Edward the Confessor
Edward the Confessor	King of England 1042-1066
Heir	Next Monarch in line
Anachronism	Something just isn't right!

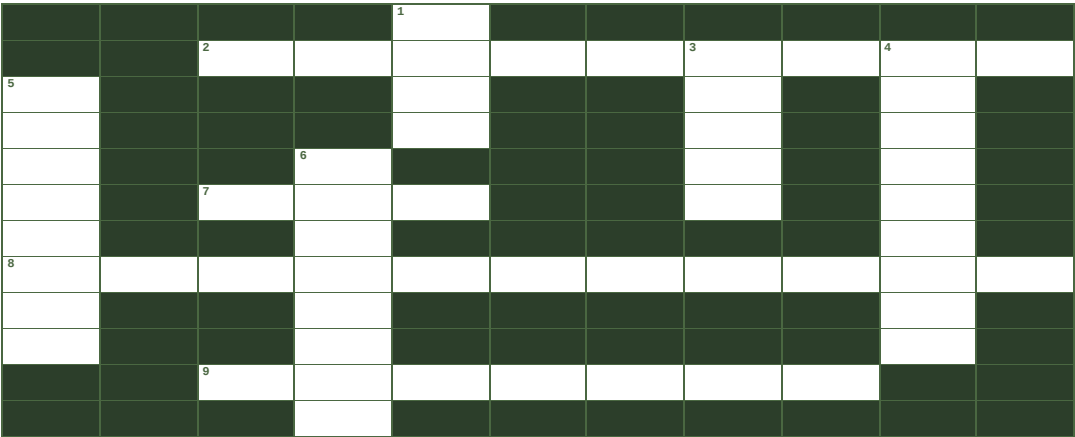

Life & Society

Successful	Accomplishing a desired aim or result.
Achievement	A thing done successfully with effort, skill, or courage.
Maturity	The state of being fully developed or adult.
Organised	Making sure you have everything prepared.
Mindfulness	The quality or state of being conscious or aware of something.

Music

tone	Specific pitch and strength in sound representing the music's emotional qualities.
articulation	In music, this refers to how specific notes or passages are played or sung.
dexterity	Hand strength and agility to create varied sounds when playing musical instruments.
melodic phrase	A group of notes that make sense together and express a definite melodic "idea"
timbre	The unique sound quality that makes one musical note distinguishable from another.

WEEK 3 - CROSSWORD

ACROSS

- 2. Closeness of results to each other
- 7. The distinctive quality or name of a color such as red, blue, green or yellow.
- 8. Something just isn't right!
- 9. an equation that performs calculations on values

DOWN

- 1. Next Monarch in line
- 3. A way of measuring distance on a map
- 4. Making sure you have everything prepared.
- 5. Closeness to a true value
- 6. It does what it's expected to do and does it well.

Practise 15 minutes every day. You will be tested every week.

WEEK 4

ENGLISH, SCIENCE, ART

English

pronoun	A word that replaces a noun to avoid repetition and show its relationship.
modal verb	A verb that shows possibility, necessity, or ability, like can, must, or should
subordinate clause	A clause that is dependent on and modifies part of the main clause in a sentence.
verb tense	The choice between present and past verbs, normally indicating differences of time.
register (spoken language)	Language style linked to formality level or specific professional groups.
structure	The way parts of a text are arranged, showing how sections link to create meaning.
subplot	A smaller story within the main plot that helps develop characters or themes.
ambiguity	Having multiple possible meanings or being open to different interpretations
apostrophe	A punctuation mark showing possession or marking missing letters in contractions.
dialogue	Spoken words in a text; two characters talking.

Science

Test tube	Storing or mixing solids and liquids
Conical flask	Holding and mixing liquids
Measuring cylinder	Measures volumes of liquids
Gauze	Supporting a beaker or flask or dish and spreading the heat from a flame
Dependent variable	The factor that is measured
Control Variable	The factors that are kept the same
Cell	Smallest building block of life
Nucleus	Controls cell's activities. Contains DNA
Cytoplasm	A jelly like fluid where most chemical reactions happen
Cell Membrane	Controls the movement of substances in and out of the cell

Art

Colour Wheel	A wheel showing the relationship between primary, secondary and tertiary colours.
Tint	A lighter version of a color created by mixing it with white.
Line	A mark made on a surface to define shapes, suggest texture, create tone and form.
Horizon Line	Is a physical boundary in a landscape artwork: where land meets the sky or sea.
Art Media	Materials that are used to create an artwork. For example paint, pencils etc.

WEEK 4

BRITISH VALUES, COMPUTER SCIENCE, DESIGN & TECHNOLOGY, FRENCH

British Values

Rights	Freedoms protected by Individual Liberty and the law.
Liberty	The freedom to live your life and make choices within the law.
Parliament	The place where elected representatives practise Democracy by debating and making laws.
Tolerance	Accepting people with different beliefs through Mutual Respect and Tolerance.
Mutual Respect and Tolerance	Respecting people and their differences.

Computer Science

Internet	A worldwide system of interconnected electronic devices
website	A collection of web pages containing information and links to other pages
email	A computer based application for the exchange of messages between users
Icon	A graphical representation of a program or file
shortcut	A link that points to a computer program

Design & Technology

Target Market	A specific group of people that your design is for.
Task Analysis	The process of breaking a skill down into smaller, more manageable components.
Product Analysis	Involves product features, costs, availability, quality, appearance
Mind map	A non-linear diagram used to visually organize information.
Aesthetics	Factors such as balance, colour, movement, pattern, scale, shape and visual weight.

French

juillet	July
août	August
septembre	September
octobre	October
mars	March

GEOGRAPHY, HISTORY, LIFE & SOCIETY, MUSIC

Geography

Physical geography Study of natural things

Human geography Study of man made things

Atlas A book of maps

Equator Line of latitude of that runs around the world at 0 degrees

Latitude Horizontal line around the world

History

Bias Gives a one sided view

Anachronism Something just isn't right!

William of Normandy Leader of Normandy

Chronology Putting events in time order

Harold Godwinson Successor to Edward the Confessor

Life & Society

Exercise Physical activity

Balanced diet Ensuring you eat enough nutrients

Eatwell guide NHS guideline to show people what a balanced diet should look like

Personal hygiene Keeping your body clean

Successful Accomplishing a desired aim or result.

Music

fluency The ability to play or sing smoothly, easily, and with natural flow.

instrumentation Combining musical instruments in compositions for orchestras and ensembles.

tempo The speed at which music is played, traditionally described in Italian terms.

musical elements A list of these includes pitch, timbre, texture, volume, duration, and form.

tone The attitude or feeling a writer conveys through word choice and style.

WEEK 4 - WORD SEARCH

M	T	B	L	E	E	H	W	R	U	O	L	O	C
C	U	B	A	L	A	N	C	E	D	D	I	E	T

Find the words that match these definitions:

- Having multiple possible meanings or being open to different interpretations
- The ability to play or sing smoothly, easily, and with natural flow.
- A link that points to a computer program
- A wheel showing the relationship between primary, secondary and tertiary colours.
- Accepting people with different beliefs through Mutual Respect and Tolerance.
- A non-linear diagram used to visually organize information.
- The place where elected representatives practise Democracy by debating and making laws.
- A graphical representation of a program or file
- A book of maps
- A jelly like fluid where most chemical reactions happen
- A mark made on a surface to define shapes, suggest texture, create tone and form.
- Factors such as balance, colour, movement, pattern, scale, shape and visual weight.
- September
- Ensuring you eat enough nutrients
- Something just isn't right!

WEEK 5

ENGLISH, SCIENCE, ART

English

simile	A comparison between two unlike things using "like" or "as" to show similarity.
Standard English	The form of English used in professional writing and formal communication settings.
verb	A word that shows action, being, or state of being in a sentence.
word class	A group of words that share similar features and perform the same job in a sentence
imagery	Language that creates pictures in our minds and appeals to the senses.
pronoun	A word that replaces a noun to avoid repetition and show its relationship to others
modal verb	A verb that shows possibility, necessity, ability, or permission in a sentence
subordinate clause	A group of words with a subject and verb that cannot stand alone as a sentence
verb tense	The choice between present and past verbs, normally indicating differences of time.
capital letters	Letters that begin sentences, proper nouns, & abbreviations in writing.

Science

Eukaryotic cell	Any cell that contains a membrane bound nucleus
Prokaryotic cell	A cell that does not have a true nucleus
Microscope	An instrument used for viewing very small objects, such as animal or plant cells
Serious Health Hazard	These substances are specific organ toxins. May affect fertility.
Evaporating Basin	Removing water from a solution
Test tube	Storing or mixing solids and liquids
Conical flask	Holding and mixing liquids
Measuring cylinder	Measures volumes of liquids
Gauze	Supporting a beaker or flask or dish and spreading the heat from a flame
Vacuole	A membrane-bound sac in cells that stores water, food, waste and other materials

Art

Secondary Colours	Colours created by mixing two primary colours together in equal amounts.
Vanishing point	When two parallel lines meet on the horizon line.
Pastel	Soft colored sticks that can be applied to create drawings or paintings.
Perspective	The technique used to create the illusion of depth on a flat, 2D surface.
Tone	Relative lightness or darkness of colour or light and shadow to create form.

WEEK 5

BRITISH VALUES, COMPUTER SCIENCE, DESIGN & TECHNOLOGY, FRENCH

British Values

Respect	Treating others kindly as part of Mutual Respect and Tolerance.
Freedom of Speech	The right to express opinions and ideas without unfair restriction.
Government	The people responsible for running the country and making decisions on behalf of citizens.
Diversity	Different cultures and backgrounds living together through Mutual Respect and Tolerance.
Culture	A way of life that is valued through Mutual Respect and Tolerance.

Computer Science

Username	The name that the school has allocated you for logging in to the computer
Password	A secret word that is made up of letters, numbers and special characters
Execute	The action of carrying out a command
Hardware	The machines, wiring and other physical components of a computer system
Software	A program used by a computer

Design & Technology

CAD (Computer Aided Design)	The use of computer-based software to aid in design processes.
CAM (Computer Aided Manufacture)	Software and computer-controlled machinery to automate a manufacturing process.
CNC (Computer Numeric Control)	An automatic technology that uses a computer program to control mechanical tools.
Tech-Soft 2D Design	The first bit of CAD/CAM software you will use in D&T.
Manufacture	Something made from raw materials by hand or by machinery.

French

Bonjour	Hello
Salut	Hi
Comment t'appelles-tu?	What's your name?
Je m'appelle	I am called
Comment ça va? (ça va?)	How's it going?

WEEK 5

GEOGRAPHY, HISTORY, LIFE & SOCIETY, MUSIC

Geography

Longitude	Vertical line around the world that passes through the poles
Tropic of Capricorn	Line of latitude that is 23.5 degrees south of the equator
Tropic of Cancer	Line of latitude that is 23.5 degrees north of the equator
Prime Meridian	Line of longitude that is 0 degrees that runs through Greenwich London
Arctic circle	Line of Latitude that is 60N of the equator

History

Chronology	Putting events in time order
Edward the Confessor	King of England 1042-1066
Bias	Gives a one sided view
Anachronism	Something just isn't right!
William of Normandy	Leader of Normandy

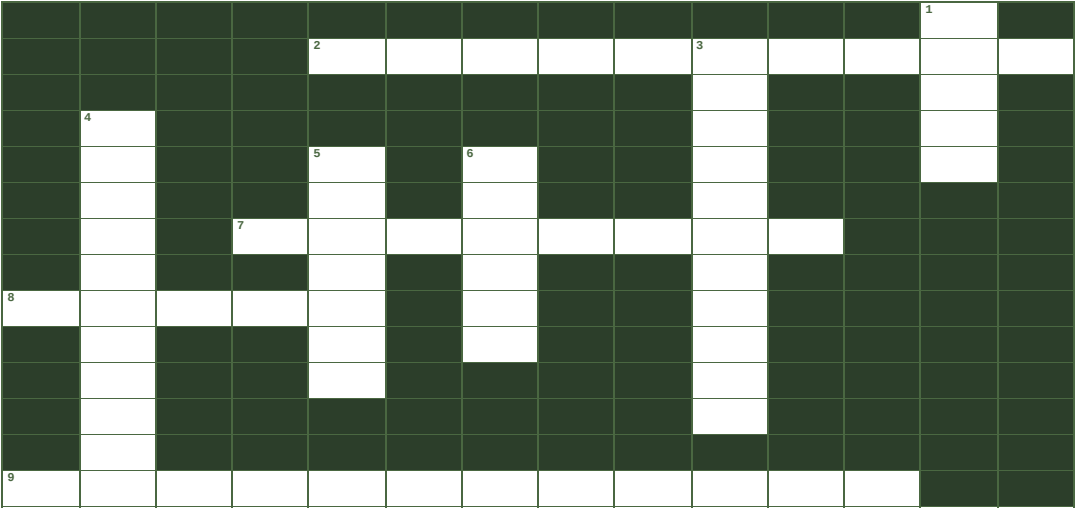

Life & Society

Puberty	Physical and hormonal changes during adolescence that lead to sexual maturity.
Menstruation	Monthly discharge of blood and tissue from the uterus if you're not pregnant.
Mental health	A person's condition with regard to their psychological and emotional well-being.
Good Sleep	Adequate amount of sleep so feeling energised the next day
Relaxation	The state of being free from tension and anxiety.

Music

artistic interpretation	The way an artist expresses their unique version of a piece of music.
idiomatic style	Features and characteristics specific to a voice type or musical instrument.
voice	Music created by singing, performed solo or in groups, with or without instruments.
blues	African American folk music with melancholy lyrics and distinctive 12-bar pattern.
articulation	In music, this refers to how specific notes or passages are played or sung.

WEEK 5 - CROSSWORD

ACROSS

- 2. The state of being free from tension and anxiety.
- 7. A secret word that is made up of letters, numbers and special characters
- 8. Supporting a beaker or flask or dish and spreading the heat from a flame
- 9. Monthly discharge of blood and tissue from the uterus if you're not pregnant.

DOWN

- 1. Music created by singing, performed solo or in groups, with or without instruments.
- 3. Something just isn't right!
- 4. Something made from raw materials by hand or by machinery.
- 5. Language that creates pictures in our minds and appeals to the senses.
- 6. Soft colored sticks that can be applied to create drawings or paintings.

Practise 15 minutes every day. You will be tested every week.

WEEK 6

ENGLISH, SCIENCE, ART

English

homophone	A word with the same pronunciation but different meaning, for example new and knew.
pronouns	Words used in place of nouns to refer to people, things, or ideas, e.g it, he, they
quotation	Words taken from a text and repeated by another person.
simple sentence	A complete thought with one independent clause and no subordinate clauses.
theme	A recurring idea or message that reveals deeper meaning about life in a text.
tone	The attitude or feeling a writer creates through word choice and writing style.
simile	A figure of speech comparing two unlike things using "like" or "as".
Standard English	The form of English used in professional writing and formal communication settings.
verb	A word that shows action, existence, or occurrence in a sentence.
word class	A group of words that share similar features and perform the same job in a sentence

Science

Gas	Particles that move randomly and freely
Safety flame	A yellow flame that makes a Bunsen burner safe when not in use
Roaring flame	A blue flame from a Bunsen burner that is used to heat things.
Independent variable	The factor that is changed
Dependent variable	The factor that is measured
Control Variable	The factors that are kept the same
Eukaryotic cell	Any cell that contains a membrane bound nucleus
Prokaryotic cell	A cell that does not have a true nucleus
Microscope	An instrument used for viewing very small objects, such as animal or plant cells
Serious Health Hazard	These substances are specific organ toxins. May affect fertility.

Art

Repetition	When objects, shapes, lines etc. are repeated in artwork.
Vanishing point	Is when two parallel lines meet on the horizon line.
Horizon Line	Is a physical boundary in a landscape artwork: where land meets the sky or sea.
Shape	Can be in the form of squares, circles, triangles, rectangles, and ovals.
Shade	A hue that has been mixed with black to make it darker.

WEEK 6

BRITISH VALUES, COMPUTER SCIENCE, DESIGN & TECHNOLOGY, FRENCH

British Values

Culture	The traditions, customs, and way of life shared by a group of people.
Citizenship	Understanding how to take part in Democracy and follow the Rule of Law.
Community	A group of people working together using Democracy and Mutual Respect.
Diversity	The presence of different cultures, beliefs, backgrounds, and experiences within a community.
Human Rights	Rights protected by the Rule of Law and Individual Liberty.

Computer Science

data	Information that can be interpreted and used by a computer
coding	Tells the computer which actions to perform and how to complete tasks
Programming Language	A set of instructions that are written by following a set of rules
search engine	A piece of software that helps people find information online using key phrases
Scratch	A helpful tool used to learn how to visually code

Design & Technology

Plastics	Wide range of synthetic or semi-synthetic materials that use polymers
Thermoforming Plastics (polymer)	Can be reformed when heated, and therefore can often be recycled.
Thermosetting	Become permanently rigid and fixed when heated
Acrylic	It is a tough plastic, easy to shape, and a great alternative to glass.
Extraction	Collection/Mining of raw materials (largely crude oil)

French

ça va (très) bien	It's going (really) well
pas mal, merci	Not bad, thanks
ça ne va pas	It's not going well
et toi?	How about you?
Au revoir	Goodbye

GEOGRAPHY, HISTORY, LIFE & SOCIETY, MUSIC

Geography

Antarctic circle	Line of latitude that is 60 S of the equator
Ordnance Survey	National mapping agency for Great Britain.
